

# Young carers research, policy and practice forum - Carers Rights Day

Young carers and health

**24 November 2022      10.00am-1.00pm on Zoom**

Join us for the next Young Carers Alliance research, policy and practice forum looking at some of the issues affecting young carers and young adult carers in relation to their own health and wellbeing.

We will also examine what needs to be done to improve identification, recognition and support for young carers by health organisations and hear from areas where work is already being done.

Find out more about the work of the forum and the benefits of joining at [youngcarersalliance.org](http://youngcarersalliance.org)
