Caring Together Charity is an ambitious regional charity that provides emotional and practical support, information and advice to carers of all ages and their families, as well as opportunities to take a break from their caring role.

### About the role

Have you previously worked as a Healthcare assistant, Support worker, Care worker or any number of similar job titles and are you currently looking for a new way to utilise the skills you have learnt to support people in an innovative way.

As part of our team, your key focus areas will be providing a flexible service to customers and their families. In Cambridgeshire we are privileged to provide unique services which allow unpaid carers to access much needed breaks by providing support to the people they are caring for, an emergency response service for unpaid carers in crisis which affords them care for their loved one should they be unable to continue with their caring role for any reason and a hospital discharge service which supports getting people home without unnecessary delay. Working alongside our homecare service we assess client needs; plan care needed and provide the service. As well as prevention work to support customers avoid admission where possible.

The successful candidate will have had experience in providing personal and social care preferably for more than two years, with an understanding of homecare and will work alongside the wider care team including other Care crisis support professionals, care professionals and the management team.

7. Complete assessments and risk assessments for new and existing customers and emergency packages of care to maintain a swift response to customer need and ensure high quality support.
8. Liaise regularly and effectively with the wider team.
9. Although generally working on an agreed shift pattern, there may be circumstances when the support requires this to be implemented flexibly i.e. starting the shift earlier or ending later.
10. Provide flexible cover for colleagues in the event of holiday and sickness, working as part of a caring team.
11. To take part in the out of hours stand by rota for provision of emergency overnight support as part of our emergency response service.
